CASES FROM CHARLEROI

Grand Jury Takes Up Work Today--Kinney Case up Wednesday.

This afternoon at 1 o'clock the grand jury for the February term of criminal court was called and was given instructions by Judge J. F. Taylor. The work of the court has been greatly lessened by the large number of pleas, but there are a number of important cases to come up, among them being three murders.

Of these murder cases, interest centers on the trial of Thomas L. Kinney, charged with shooting and killing William Adams, superintendent of Macbeth-Evans glass plant, the fore part of December. The Kinney case will be before the grand jury on Wednesday. There is no doubt but that he will be held for a court hearing. Twenty-two persons have been subpoenaed for this case from Charleroi, all of them important witnesses.

The murder case of Edward Perdee will be before the grand jury on Wednesday. Perdee is charged with shooting and killing "Skinner" Young at Marianna. John Young will be the third person who is charged with murder, his case to be also before the grand jury on Wednesday. Young is charged with having killed Andy Gashes at Houston's Run.

There will be four other important cases from Charleroi before the grand jury this week. On Tuesday will be that of Mrs. Susie Smith, charged with arson; Delbert Wilson, charged by Constable David Mathers with carrying concealed weapons, and by his wife, Mrs. Guilmine Wilson, charged with felonious assault and attempt to kill; and Sams Potter, an Italian, charged with assault with intent to ravish. The case of Joe Petroski, charged with the illegal selling of liquor will be before the grand jury on Thursday.

NASHVILLE PEOPLE GREATLY PLEASED BY REV. KERR'S LECTURE

Rev. George G. Kerr of Charleroi, who has been the guest of Rev. E. E. Hendrick, the evangelist at Nashville, Tenn., a few days, lectured at the Grace Presbyterian church in that city last Thursday evening, and created a deep impression. The Nashville Tennessean in speaking of the lecture says: "Rev. George G. Kerr of Charleroi, Pa., delivered his great lecture on 'The Value of a Boy and How to Get the Worth of Him,' at the Grace Presbyterian church last night to a great audience. Every one seemed thrilled and delighted, and pronounced it one of the best things they had heard for many days. It was delivered in fine language and in a humorous vein, and yet its moral tone was of the highest order. This was Mr. Kerr's first visit to the south, but the people want him again.

"Tonight Mr. Kerr speaks in Lebanon, Tenn., at Caruthers Hall, where President Bone has arranged for him. While in the city, Mr. Kerr is the guest of Rev. E. E. Hendrick, the evangelist of 718 Boswell street. Mr. Kerr also spoke at Belmont and Peabody colleges yesterday."

WANTED--Collector. Apply at Once at The People's Store.

LICENSE COURT CONVENES TODAY

Hearing of Applicants Taken up by Judge McIlvaine This Morning.

All the applicants for hotel license are at Washington today where license court convened before Judge J. A. McIlvaine at 10 o'clock this forenoon. Today and tomorrow will be devoted to hearing the retail applications, which will be taken up in alphabetical order. On Wednesday morning the wholesale applications will be taken up. This includes the breweries and distilleries.

As no remonstrances have been filed against any of the applications from Charleroi, it is expected that all will be granted for another year. The Anti-Saloon League and the trustees of the Jerome Plummer fund are making a hot fight against some of the applications in the county, particularly the three breweries at Washington. Four attorneys have been employed, and these are said to have spent considerable time in preparing the cases against those whom the temperance forces are opposing.

Won't Erect Posts.

An epidemic of itch has broken out in the South Canonsburg schools and rather than follow the example of the Duke of Argyle, the board of health has excluded all the effected pupils. The disease is said to be of a contagious order, and steps are being taken to prevent its further spread.

Lent Announcement.

Rev. W. D. Fries, pastor of St. Jerome's Catholic church, yesterday read the announcements of Lent as announced by Bishop Canevin at Pittsburgh. Lent begins on Wednesday and lasts until Easter Sunday, March 2.

To the Public

The barber shop of G. A. Martucci is run as an independent shop, with prices for shaving the same as in the past. No additional price for shaving will be charged.

FAYETTE CITY HOME DESTROYED BY FIRE SUNDAY AFTERNOON

A two story frame dwelling belonging to Gus Hamilton of Fayette City was almost totally destroyed by fire yesterday. The house and furniture was an almost total loss as no insurance was carried. The fire is supposed to have originated from the chimney in some way as Mr. Hamilton was in the parlor amusing his little seven year-old daughter and Mrs. Hamilton was working in the kitchen. The latter was the first to notice the fire and called to her husband who promptly called in the fire department which worked bravely, but owing to the high wind was unable to do very much. The property was valued at about \$1,500.

CLOTHES ON FIRE CAUSE EXCITEMENT

Foreigner Gets Scared and Jumps Out Second Story Window.

A small fire, which was put out by neighbors, occurred in the middle of a row of three houses on McKean avenue, between Eleventh and Twelfth streets last night, shortly after 9 o'clock. The fire started it is thought from a cook stove, clothes having been left hanging close to it to dry. Neighbors when they saw the smoke quickly pulled the clothes from the rack and removed them from the building, without setting fire to anything else. The fire department was called out but the flames had been extinguished by the time they arrived. The building, which is owned by F. P. McCloskey, was occupied by a foreign family. A foreigner, becoming frightened, leaped from the second story window, and was slightly injured.

St. Elmo Coming to

Coyle on Thursday

Through his personal friendship with Stair and Havalin, the noted New York theatrical agents, Manager R. S. Coyle has booked "St. Elmo" for the Coyle Theatre Thursday night of this week. This play, which has been dramatized from Mrs. Augusta Evans Wilson's fascinating novel of Southern life by Willard Holcomb, is under direction of Vaughn Glasser, and is presented by a large cast of unusually talented people. It was presented at the Nixon Theatre in Pittsburgh, and realized \$12,000 during the engagement there. The story is sweet in simplicity, strong in a moral sense, and abounds in dramatic situations. Every person who has read "St. Elmo" will recall the glamour of romance which enthralled them at the time, and the opportunity to see the characters embodied in the flesh will be a delightful renewal of the romantic memories of bygone years.

An error was made in the prices in the advertising announcement last week. They should be \$1 and 75 cents for the orchestra and parquet respectively, and 25, 35 and 50 cents for the balcony. The sale of seats opens tomorrow, and already a large number of mail orders have been received.

Entertains Friends.

Miss Ora Kistler entertained a few friends at her home on Fallowfield avenue, Saturday evening. The evening was pleasantly spent with various social diversions.

SEVERAL TAKE CENSUS EXAMS

Papers Coming in Today From Various Points in District.

Papers of the test for census enumerators held Saturday over the 21st district, are being returned to Census Supervisor C. O. Frye today for examination. There were a goodly number took the examinations in the various towns where it was held. The papers will be examined by Mr. Frye, then he will send them to Census Director Durand at Washington, D. C., designating his proposed appointees. The Census Director will look over the list and then notify the supervisor of his approval or rejection of the list of appointees. If there are any not approved by him, he will request that other appointees be made. Papers will be sent to him on February 15, February 22 and March 1.

A goodly number took the examination in Charleroi which was held personally by Mr. Frye, at the Fifth street school. Applicants from Charleroi, Fallowfield, Deemston, East Bethlehem, Centerville, East Pike Run, Elco, Roscoe California, Coal Centre, West Brownsville, Long Branch, Twilight, Allen, Speers, North Charleroi and Donora were examined.

The papers will be examined by the Census Supervisor who will pass upon the rates before sending them to Mr. Durand. The appointees have to make a satisfactory rate before they are subject to appointment.

GOOD BASEBALL JOB IF MR. TENER CAN GET BACK IN FORM

A newspaper dispatch from Washington, D. C., says that Representative John K. Tener of Charleroi, Pa., happened in Philadelphia, where he met a number of baseball fans. The Congressman, who was once a professional baseball player, sauntered up to the group. "Uncle Jim" McGuire was in the party.

"I played against you once, Mr. McGuire," said Tener.

"When was it?"

"Oh about 20 years ago," was the reply. "I used to be one of Anse's Colts."

Jim said: "Do I remember you? Well I should say I do. There was a game in which my team had the Colts 3 to 1 in the ninth inning. You'd been missing the low ones, so I signalled Ben Sandes to dish you up one in the neighborhood of your knees. He did and you caught it on the end of your bat and sent it over the right field fence for a homer, bringing in two men ahead of you. Say, Congressman, if you can do that still there's a Cleveland contract waiting your signature."

Former Charleroi Boy Captain.

The Park Project

If Charleroi is to have a park or permanent public playground, now is the time to begin the preliminaries for the project. The unqualified success of the vacant lot playgrounds last year should be an incentive for further exertion this year, but it is evident that the movement cannot continue on the same lines as carried on last year. Already one of the vacant lots used is occupied by a new building in the course of construction, and it is only a question of time when all the other available sites will be utilized for building purposes.

When the movement started last year, there was a widespread sentiment in favor of making it permanent. Many citizens expressed themselves in favor of the borough taking steps to secure a park site which could be utilized for a public playground for children, as well as an outdoor resort for adults. Several available sites were mentioned and ways and means discussed as to their acquisition, but no action was taken. If the playground project is to be continued another year, something should be done to procure sites, and if these could be made permanent, it would meet a popular demand. Monessen has taken the initiative in securing permanent playgrounds provided the borough will enter in the project, and Charleroi should take similar action. It would not only fill a much needed want, but will prove an economic conservation of public resources.

A Halt Called.

Commercial reports for the week are to the effect that a halt has been called on the upward tendency of prices. The agitation against high prices is having its effect, and retailers are not placing orders as freely, which in turn is reflected in the business of the wholesalers and jobbers. After these the manufacturers are beginning to sit up and take notice. The indications are that a halt has not only been called upon advancing prices but in many instances they will decline.

So long as the consumers made no objections and accepted each advance without a murmur, prices continued to soar, and weights and measures shrunk accordingly. People are now watching things more closely, and are cultivating habits of economy and thrift. The various investigations are opening the eyes of the people generally, and they are refusing to be bunched all along the line. The agitation has started a spirit of inquiry that will no doubt be far reaching.

Not Yet Hopeless.

The failure of the operators and coal miners to get together on the consideration of the wage scale for the next year should not be taken as a declaration of war. While each side started to the conference with demands that were as wide apart as

they could well be, it did not follow that an agreement could not be reached. Conditions are not such as indicate that the operators cannot maintain the same scale as last year, or grant a slight advance, nor are the miners so badly pushed that they cannot accept a compromise somewhere near a common level. The failure to agree on a question concerning the organization of the conference, before the main object was even introduced, was most unfortunate.

A general mining strike at this time will be most disastrous. With no industrial disturbances everything points to a year of unusual business and industrial activity. A big mine strike would prove a serious interruption, and would demoralize everything for the entire season and possibly extend its influence indefinitely into the future. With the present state of prices the miners are certainly warranted in asking for an advance, and the operators are also up against it in the way of increased cost of production, which leaves but a slight margin for profit. However, the situation is not yet hopeless, and every effort should be made to avoid a strike which would cause more loss to all concerned than a compromise on an equitable basis.

ELECTRIC SPARKS

An exchange heaps coals of fire upon the Government for spending money in sending out copies of the Congressional Record. Evidently the editor doesn't get them.

Sufficient encouragement has been given to coasting in several places to insure a number of serious accidents.

The easiest thing in the world to do is to be the host at a post-card shower. Then you do not have to feed the people.

Without speaking of the varied uses of the kerosine can, and without suggesting the possibility of hastening breakfast with it, it may be remarked that is a wonderfully good thing with which to hustle one into the eternal camping ground.

Washington has about come to the idea that a market house is a necessity. When Charleroi gets that far along it has one.

The county papers inform us that "Itch mite close the Canonsburg schools." The itch "mite" do many things.

A Congressman has discovered that the music played by a band of uneducated, unrefined Hungarian gypsies is much more pleasing than that we generally hear in our fine music halls. Probably for the reason that they played tunes.

"Back to the land" suggested by an exchange has sort of a sound like an old song we used to clap bones to.

SPECIAL SERVICES

MARK DEDICATION OF MONESSEN CHURCH

The new Monessen Baptist church was dedicated yesterday services being held in the morning, afternoon and evening. In the morning Rev. A. A. DeLarne of McKeesport preached, in the afternoon Rev. H. It is not large, but both the interior and exterior are nicely finished and the structure is considered one of Monessen's most beautiful churches. Mr. and Mrs. D. C. Whitlatch and John McClintok of the Charleroi Baptist church attended the afternoon services.

Big Coke Merger May be Revived

A well-grounded rumor is current among independent coke operators of the Connellsville region that another attempt will be made soon to form a merger. The effort made last year failed for lack of capital, it was announced, but the real reason is said to have been returning prosperity and repeated jumps in the price of coke, which made owners reluctant to sell plants that promised big profits. The week just ended witnessed a slump in coke prices. Shipments have fallen off throughout the region. Furnace coke has tumbled from \$2.50,

to \$2 and \$1.50. Even at these prices certain consumers have refused to accept consignments. The result is the railroad companies have placed an embargo on the output destined for certain points. Various reasons have been given for the refusal. Most of the shippers are at a loss to understand the real motive. The smaller interests are the ones that are bearing the brunt of the decline in prices. Most of these contracted to sell their outputs at prices ranging from \$2.50 upward. The agreement stipulated that the consumers were to be bound only in case the prices remained at those figures or went higher. In case of a slump and temporary suspension the contracts were not to be binding.

MONESSEN BOY HURT IN COASTING ACCIDENT

Felix Clerboise, the little son of Mr. and Mrs. J. J. Clerboise of Monessen is suffering with a crushed foot, the result of a coasting accident. While sled riding down one of the hill streets the boy ran into a street car. His foot was caught by a wheel, and he was dragged some distance before the motorman could stop the car. Two other boys were on the sled with the lad, and one of them, Robert Smith, also sustained some bad bruises. It is thought that young Clerboise's foot may not have to be amputated.

Interest in Game Wednesday Evening

Great interest is being manifested in the first game of a series of five for the basketball championship of the upper Monongahela valley, to be played at the Charleroi skating rink on Wednesday evening, between the Charleroi Colonials and Brownsville. The game will be called at 9 o'clock. The Brownsville outfit consists almost exclusively of former college players, the only exception being Hardwick, a former Charleroi boy. Their lineup will be taken from the following, Taylor, Edwards, Herbertson, Bolig, Scherbon, Jeffries and Hardwick. The Colonials have arranged a game with the Washington Collegians, a team composed of students from W. and J. college and said to be remarkably fast.

Pleasant Surprise on Speers Man

T. J. Montgomery of Speers, who has been working near Pittsburgh for some time past, arrived home Saturday evening at 8 o'clock to find to his surprise the adult members of the Speers M. E. Sunday school and other friends, sixty odd in all, in full possession of his home. Mr. Montgomery being absent during the week had not received any inkling of the affair until he opened the door of his own home. This did not divulge the meaning of the gathering until a large and most beautiful leather rocker was carried in and presented to him by the M. E. Sunday school, of which he has been such a faithful superintendent for ten years.

In a few well chosen words Mr. Montgomery thanked the crowd and Sunday school and said it was his purpose to make this year the best the school has ever experienced. The company was entertained by music, vocal and instrumental, and partook of an elegant lunch served by the Ladies Aid. Just before the hour of 12 the crowd departed for their homes, having enjoyed a very pleasant evening.

WORTH MOUNTAINS OF GOLD

During Change of Life, says Mrs. Chas. Barclay

Graniteville, Vt. — "I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter." — Mrs. CHAS. BARCLAY, R.F.D., Graniteville, Vt.

No other medicine for woman's ills has received such widespread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.

THEY INJURE CHILDREN

Ordinary Cathartics and Pills and Harsh Physics Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartic and purgative are apt to do more harm than good. They cause griping, nausea and other distressing after effects that are frequent health-destroying and a lifelong annoyance.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associated bowel disorders. We have such absolute faith in the virtue of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. As an active agent, it embraces the valuable qualities of the best known intestinal regulator tonics.

Rexall Orderlies are eaten like candy. They are particularly prompt and agreeable in action, may be taken at any time day or night; do not cause diarrhoea, nausea, griping, excessive looseness or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relaxed muscular coat of the bowel and its dry mucous lining, remove irritation, overcome weakness, tone and strengthen the nerves and muscles, and restore the bowels and associated organs to more vigorous and healthy activity.

Rexall Orderlies completely relieve constipation, except when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no medicine for this purpose so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form, in two sizes of packages: 12 tablets 10 cents, and 36 tablets 25 cents. Remember you can obtain Rexall Remedies in Charleroi only at our store—The Rexall Store.—John W. Carroll.

CASES FROM CHARLEROI

Grand Jury Takes Up Work Today--Kinney Case up Wednesday.

This afternoon at 1 o'clock the grand jury for the February term of criminal court was called and was given instructions by Judge J. F. Taylor. The work of the court has been greatly lessened by the large number of pleas, but there are a number of important cases to come up, among them being three murders.

Of these murder cases, interest centers on the trial of Thomas L. Kinney, charged with shooting and killing William Adams, superintendent of Macbeth-Evans glass plant, the fore part of December. The Kinney case will be before the grand jury on Wednesday. There is no doubt but that he will be held for a court hearing. Twenty-two persons have been subpoenaed for this case from Charleroi, all of them important witnesses.

The murder case of Edward Perdee will be before the grand jury on Wednesday. Perdee is charged with shooting and killing "Skinner" Young at Marianna. John Young will be the third person who is charged with murder, his case to be also before the grand jury on Wednesday. Young is charged with having killed Andy Gashes at Houston's Run.

There will be four other important cases from Charleroi before the grand jury this week. On Tuesday will be that of Mrs. Susie Smith, charged with arson; Delbert Wilson, charged with carrying concealed weapons, and by his wife, Mrs. Guillian Wilson, charged with felonious assault and attempt to kill; and Sam Potter, an Italian charged with assault with intent to ravish. The case of Joe Petroski, charged with the illegal selling of liquor will be before the grand jury on Thursday.

NASHVILLE PEOPLE

GREATLY PLEASED BY REV. KERR'S LECTURE

Rev. George G. Kerr of Charleroi, who has been the guest of Rev. E. E. Hendrick, the evangelist at Nashville, Tenn., a few days, lectured at the Grace Presbyterian church in that city last Thursday evening, and created a deep impression. The Nashville Tennessean in speaking of the lecture says: "Rev. George G. Kerr of Charleroi, Pa., delivered his great lecture on 'The Value of a Boy and How to Get the Worth of Him,' at the Grace Presbyterian church last night to a great audience. Every one seemed thrilled and delighted, and pronounced it one of the best things they had heard for many days. It was delivered in fine language and in a humorous vein, and yet its moral tone was of the highest order. This was Mr. Kerr's first visit to the south, but the people want him again."

"Tonight Mr. Kerr speaks in Lebanon, Tenn., at Caruthers Hall, where President Bone has arranged for him. While in the city, Mr. Kerr is the guest of Rev. E. E. Hendrick, the evangelist of 718 Roscoe street. Mr. Kerr also spoke at Belmont and Peabody colleges yesterday."

LICENSE COURT CONVENES TODAY

Hearing of Applicants Taken up by Judge McIlvaine This Morning.

All the applicants for hotel licenses are at Washington today where license court convened before Judge J. A. McIlvaine at 10 o'clock this forenoon. Today and tomorrow will be devoted to hearing the retail applications, which will be taken up in alphabetical order. On Wednesday morning the wholesale applications will be taken up. This includes the breweries and distilleries.

As no remonstrances have been filed against any of the applications from Charleroi, it is expected that all will be granted for another year. The Anti-Saloon League and the trustees of the Jerome Plummer fund are making a hot fight against some of the applications in the county, particularly the three breweries at Washington. Four attorneys have been employed, and these are said to have spent considerable time in preparing the cases against those whom the temperance forces are opposing.

Won't Erect Posts.

An epidemic of itch has broken out in the South Canonsburg schools and rather than follow the example of the Duke of Argyle, the board of health has excluded all the effected pupils. The disease is said to be of a contagious order, and steps are being taken to prevent its further spread.

FAYETTE CITY HOME DESTROYED BY FIRE SUNDAY AFTERNOON

A two story frame dwelling belonging to Gus Hamilton of Fayette City was almost totally destroyed by fire yesterday. The house and furniture was an almost total loss as no insurance was carried. The fire is supposed to have originated from the chimney in some way as Mr. Hamilton was in the parlor amusing his little seven year-old daughter and Mrs. Hamilton was working in the kitchen. The latter was the first to notice the fire and called to her husband who promptly called in the fire department which worked bravely, but owing to the high wind was unable to do very much. The property was valued at about \$1,500.

CLOTHES ON FIRE CAUSE EXCITEMENT

Foreigner Gets Scared and Jumps Out Second Story Window.

A small fire, which was put out by neighbors, occurred in the middle of a row of three houses on McKean avenue, between Eleventh and Twelfth streets last night, shortly after 9 o'clock. The fire started it is thought from a cook stove, clothes having been left hanging close to it to dry. Neighbors when they saw the smoke quickly pulled the clothes from the rack and removed them from the building, without setting fire to anything else. The fire department was called out but the flames had been extinguished by the time they arrived. The building, which is owned by F. P. McCloskey, was occupied by a foreign family. A foreigner, becoming frightened, leaped from the second story window, and was slightly injured.

St. Elmo Coming to

Coyle on Thursday

Through his personal friendship with Stair and Havalin, the noted New York theatrical agents, Manager R. S. Coyle has booked "St. Elmo" for the Coyle Theatre Thursday night of this week. This play, which has been dramatized from Mrs. Augusta Evans Wilson's fascinating novel of Southern life by Willard Holcomb, is under direction of Vaughn Glasser, and is presented by a large cast of unusually talented people. It was presented at the Nixon Theatre in Pittsburg, and realized \$12,000 during the engagement there. The story is sweet in simplicity, strong in a moral sense, and abounds in dramatic situations. Every person who has read "St. Elmo" will recall the glamour of romance which enthralled them at the time, and the opportunity to see the characters embodied in the flesh will be a delightful renewal of the romantic memories of bygone years.

An error was made in the prices in the advertising announcement last week. They should be \$1 and 75 cents for the orchestra and parquet respectively, and 25, 35 and 50 cents for the balcony. The sale of seats opens tomorrow, and already a large number of mail orders have been received.

Entertains Friends.

Miss Ora Kistler entertained a few friends at her home on Fallowfield avenue, Saturday evening. The evening was pleasantly spent with various social diversions.

SEVERAL TAKE CENSUS EXAMS

Papers Coming in Today From Various Points in District.

Papers of the test for census enumerators held Saturday over the 21st district, are being returned to Census Supervisor C. O. Frye today for examination. There were a goodly number took the examinations in the various towns where it was held. The papers will be examined by Mr. Frye, then he will send them to Census Director Durand at Washington, D. C., designating his proposed appointees. The Census Director will look over the list and then notify the supervisor of his approval or rejection of the list of appointees. If there are any not approved by him, he will request that other appointees be made. Papers will be sent to him on February 15, February 22 and March 1.

A goodly number took the examination in Charleroi which was held personally by Mr. Frye, at the Fifth street school. Applicants from Charleroi, Fallowfield, Deemston, East Bethlehem, Centerville, East Pike Run, Elco, Roscoe, California, Coal Centre, West Brownsville, Long Branch, Twilight, Allen, Speers, North Charleroi and Donora were examined.

The papers will be examined by the Census Supervisor who will pass upon the rates before sending them to Mr. Durand. The appointees have to make a satisfactory rate before they are subject to appointment.

GOOD BASEBALL JOB

IF MR. TENER CAN

GET BACK IN FORM

A newspaper dispatch from Washington, D. C., says that Representative John K. Tener of Charleroi, Pa., happened in Philadelphia, where he met a number of baseball fans. The Congressman, who was once a professional baseball player, sauntered up to the group. "Uncle Jim" McGuire was in the party. "I played against you once, Mr. McGuire," said Tener. "When was it?"

"On about 20 years ago," was the reply. "I used to be one of Anse's Colts." Jim said: "Do I remember you? Well I should say I do. There was a game in which my team had the Colts 3 to 1 in the ninth inning. You'd been missing the low ones, so I signalled Ben Sandes to dish you up one in the neighborhood of your knees. He did and you caught it on the end of your bat and sent it over the right field fence for a homer, bringing in two men ahead of you. Say, Congressman, if you can do that still there's a Cleveland contract waiting your signature."

The Park Project.

If Charleroi is to have a park or permanent public playground, now is the time to begin the preliminaries for the project. The unqualified success of the vacant lot playgrounds last year should be an incentive for further exertion this year, but it is evident that the movement cannot continue on the same lines as carried on last year. Already one of the vacant lots used is occupied by a new building in the course of construction, and it is only a question of time when all the other available sites will be utilized for building purposes.

When the movement started last year, there was a widespread sentiment in favor of making it permanent. Many citizens expressed themselves in favor of the borough taking steps to secure a park site which could be utilized for a public playground for children, as well as an outdoor resort for adults. Several available sites were mentioned and ways and means discussed as to their acquisition, but no action was taken. If the playground project is to be continued another year, something should be done to procure sites, and if these could be made permanent, it would meet a popular demand. Monessen has taken the initiative in securing permanent playgrounds provided the borough will enter in the project, and Charleroi should take similar action. It would not only fill a much needed want, but will prove an economic conservation of public resources.

A Halt Called.

Commercial reports for the week are to the effect that a halt has been called on the upward tendency of prices. The agitation against high prices is having its effect, and retailers are not placing orders as freely, which in turn is reflected in the business of the wholesalers and jobbers. After these the manufacturers are beginning to sit up and take notice. The indications are that a halt has not only been called upon advancing prices but in many instances they will decline.

So long as the consumers made no objections and accepted each advance without a murmur, prices continued to soar, and weights and measures shrunk accordingly. People are now watching things more closely, and are cultivating habits of economy and thrift. The various investigations are opening the eyes of the people generally, and they are refusing to be buncoed all along the line. The agitation has started a spirit of inquiry that will no doubt be far reaching.

Not Yet Hopeless.

The failure of the operators and coal miners to get together on the consideration of the wage scale for the next year should not be taken as a declaration of war. While each side started to the conference with demands that were as wide apart as

they could well be, it did not follow that an agreement could not be reached. Conditions are not such as indicate that the operators cannot maintain the same scale as last year, or grant a slight advance, nor are the miners so badly pushed that they cannot accept a compromise somewhere near a common level. The failure to agree on a question concerning the organization of the conference, before the main object was even introduced, was most unfortunate.

A general mining strike at this time will be most disastrous. With no industrial disturbances everything points to a year of casual business and industrial activity. A big mine strike would prove a serious interruption, and would demoralize everyting for the entire season and possibly extend its influence indefinitely into the future. With the present state of prices the miners are certainly warranted in asking for an advance, and the operators are also up against it in the way of increased cost of production, which leaves but a slight margin for profit. However, the situation is not yet hopeless, and every effort should be made to avoid a strike which would cause more loss to all concerned than a compromise on an equitable basis.

ELECTRIC SPARKS

An exchange heaps coals of fire upon the Government for spending money in sending out copies of the Congressional Record. Evidently the editor doesn't get them.

Sufficient encouragement has been given to coasting in several places to insure a number of serious accidents.

The easiest thing in the world to do is to be the host at a post-card shower. Then you do not have to feed the people.

Without speaking of the varied uses of the kerosine can, and without suggesting the possibility of hastening breakfast with it, it may be remarked that is a wonderfully good thing with which to hustle one into the eternal camping ground.

Washington has about come to the idea that a market house is a necessity. When Charleroi gets that far along it has one.

The county papers inform us that "Itch mite close the Canonsburg schools." The itch "mite" do many things.

A Congressman has discovered that the music played by a band of uneducated, unrefined Hungarian gypsies is much more pleasing than that we generally hear in our fine music halls. Probably for the reason that they played tunes.

"Back to the land" suggested by an exchange has sort of a sound like an old song we used to clap bones to.

SPECIAL SERVICES

MARK DEDICATION OF MONESSEN CHURCH

The new Monessen Baptist church was dedicated yesterday services being held in the morning, afternoon and evening. In the morning Rev. A. A. DeLarme of McKeesport preached, in the afternoon Rev. H. C. Gleiss of Pittsburgh, and in the evening Rev. William Nash of Maplewood, Mo. Music was a feature of the services. The church is constructed of buff brick. It is not large, but both the interior and exterior are nicely finished and the structure is considered one of Monessen's most beautiful churches. Mr. and Mrs. D. C. Whitlatch and John McClintok of the Charleroi Baptist church attended the afternoon services.

A. O. H. Reception Last Pre-Lent Event

Big Coke Merger May be Revived

A well-grounded rumor is current among independent coke operators of the Connellsville region that another attempt will be made soon to form a merger. The effort made last year failed for lack of capital, it was announced, but the real reason is said to have been returning prosperity and repeated jumps in the price of coke, which made owners reluctant to sell plants that promised big profits. The week just ended witnessed a slump in coke prices. Shipments have fallen off throughout the region. Furnace coke has tumbled from \$2.50

to \$2 and \$1.50. Even at these prices certain consumers have refused to accept consignments. The result is the railroad companies have placed an embargo on the output destined for certain points. Various reasons have been given for the refusal. Most of the shippers are at a loss to understand the real motive. The smaller interests are the ones that are bearing the brunt of the decline in prices. Most of these contracted to sell their outputs at prices ranging from \$2.50 upward. The agreement stipulated that the consumers were to be bound only in case the prices remained at those figures or went higher. In case of a slump and temporary suspension, the contracts were not to be binding.

MONESSEN BOY HURT IN COASTING ACCIDENT

Felix Clerboise, the little son of Mr. and Mrs. J. J. Clerboise of Monessen is suffering with a crushed foot, the result of a coasting accident. While sled riding down one of the hill streets the boy ran into a street car. His foot was caught by a wheel, and he was dragged some distance before the motorman could stop the car. Two other boys were on the sled with the lad, and one of them, Robert Smith, also sustained some bad bruises. It is thought that young Clerboise's foot may not have to be amputated.

Interest in Game

Wednesday Evening

Great interest is being manifested in the first game of a series of five for the basketball championship of the upper Monongahela valley, to be played at the Charleroi skating rink on Wednesday evening, between the Charleroi Colonials and Brownsville. The game will be called at 9 o'clock. The Brownsville outfit consists almost exclusively of former college players, the only exception being Hardwick, a former Charleroi boy. Their lineup will be taken from the following, Taylor, Edwards, Herbertson, Bolig, Scherbon, Jeffries and Hardwick.

The Colonials have arranged a game with the Washington Collegians, a team composed of students from W. and J. college and said to be remarkably fast.

Pleasant Surprise

on Speers Man

T. J. Montgomery of Speers, who has been working near Pittsburg for some time past, arrived home Saturday evening at 8 o'clock to find to his surprise the adult members of the Speers M. E. Sunday school and other friends, sixty odd in all, in full possession of his home. Mr. Montgomery being absent during the week had not received any inkling of the affair until he opened the door of his own home. This did not divulge the meaning of the gathering until a large and most beautiful leather rocker was carried in and presented to him by the M. E. Sunday school, of which he has been such a faithful superintendent for ten years.

In a few well chosen words Mr. Montgomery thanked the crowd and Sunday school and said it was his purpose to make this year the best the school has ever experienced. The company was entertained by music, vocal and instrumental, and partook of an elegant lunch served by the Ladies Aid. Just before the hour of 12 the crowd departed for their homes, having enjoyed a very pleasant evening.

WORTH MOUNTAINS OF GOLD

During Change of Life,
says Mrs. Chas. Barclay

Grantville, Vt. — "I was passing through the Change of Life and suffered from nervousness and other annoying symptoms, and I can truly say that Lydia E. Pinkham's Vegetable Compound has proved worth mountains of gold to me, as it restored my health and strength. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound has done for me during this trying period. Complete restoration to health means so much to me that for the sake of other suffering women I am willing to make my trouble public so you may publish this letter." — Mrs. CHAS. BARCLAY, R.F.D., Grantville, Vt.

No other medicine for woman's ills has received such wide-spread and unqualified endorsement. No other medicine we know of has such a record of cures of female ills as has Lydia E. Pinkham's Vegetable Compound.

For more than 30 years it has been curing female complaints such as inflammation, ulceration, local weaknesses, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration, and it is unequalled for carrying women safely through the period of change of life. It costs but little to try Lydia E. Pinkham's Vegetable Compound, and, as Mrs. Barclay says, it is "worth mountains of gold" to suffering women.

THEY INJURE CHILDREN

Ordinary Cathartics and Pills and
Harsh Physics Cause Dis-
tressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartic and purgative are apt to do more harm than good. They cause griping, nausea and other distressing after effects that are frequent health-destroying and a lifelong annoyance.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associated bowel disorders. We have such absolute faith in the virtue of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. As an active agent, it embraces the valuable qualities of the best known intestinal regulator tonics.

Rexall Orderlies are eaten like candy. They are particularly prompt and agreeable in action, may be taken at any time day or night; do not cause diarrhoea, nausea, griping, excessive looseness or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relaxed muscular coat of the bowel and its dry mucous lining; remove irritation, overcome weakness, tone and strengthen the nerves and muscles, and restore the bowels and associated organs to more vigorous and healthy activity.

Rexall Orderlies completely relieve constipation, except when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no medicine for this purpose so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form, in two sizes of packages: 12 tablets 10 cents, and 36 tablets 25 cents. Remember you can obtain Rexall Remedies in Charleroi only at our store—The Rexall Store—John W. Carroll.
